

WETLANDS, PARKLANDS AND OCEAN VIEWS – STAGE 3 HAS IT ALL.

Nestled in the centre of The Cape estate and featuring vast swathes of open space, Stage 3 has it all.

Home sites in this stage are a short walk to either of The Cape’s two beach access points and an even shorter walk along beautifully landscaped granitic sand paths to the community precinct which features a community farm, sports area, children’s playground, future orchard,

café, conference and co-working space and much more.

A diverse range of home sites feature stunning views of parklands, wetlands and beautiful Bass Strait. Allotments range in size from 354 m² to over 1000 m² so there is something for everyone.

The relaxed coastal lifestyle of The Cape is increasingly rare in Southern Australia these days, yet the beautiful Bunurong

Coastal Drive is 5 minutes away and the towns of Inverloch and Wonthaggi, which feature all the necessary shops and services, are only 10 minutes away.

Stage 2 lots sold in record time, and The Cape’s design process will guarantee a beautiful, passive solar, comfortable home with super low running costs, so don’t miss your chance to join Victoria’s most sustainable community.
